To whom it may concern

I am writing this in regards  
to my nephew Josh Sherwood.

I'm retired now but once operated  
a large Dairy Farm called Homestead  
acres. Josh worked for me thru  
high school and all the way thru  
college, Josh was a hard worker and

ways respectful and got along  
with everyone I had working for me,  
he is a remarkable young man who  
made a mistake which we are all  
capable of, he has did his time and  
needs to move on and contribute to  
society.

I would relieve him right now

and fully trust him, Please take  
that into consideration so he can get  
on with his life.
